Source: Source: California Crime Index from State Dept. of Justice, 2001 data, with population from Calif. Dept. of Finance, Jan. 1, 2002. Rate is all reported willful homicide, forcible rape, aggravated assault, burglary, motor vehicle theft, larceny-theft and arson per 1,000 residents. Homicides include murders and non-negligent manslaughter. County totals exceed sum of all cities because many crimes are committed outside the jurisdiction of legal cities.
